DESCRIPTION OF PROPOSED WORKS Water to be diverted from an 8" drilled and cased artesian Well. State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other and distributed by a system of 2" pipes for domestic use. and is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivi ditches to various places of use within the designated area. \$6,000.00 Estimated cost of works____ 2 years Estimated time required to construct works___ 7. Remarks This application to appropriate water is to conform with the regulations of the Bureau of Land Management, Desert Land Application, Nev. 032796. for N_2 Sec. 22, T. 16 S., R. 49 E., MD.M. Nevada, Nye County (320 Acres) Loretta G. Burns $_$, Applicant. Loretta G. Burns By_ Compared (1) This sheet inspected_ $_{ extsf{-}}$, Engineer. APPROVAL OF STATE ENGINEER This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source and is limited to what the well will produce but not to exceed 3.5. c.f.s. It is understood that this right must allow for a reason 3.5. c.f.s. It is understood that this right must allow for a reasonable lowering of the static water level at permittees well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept, and a method provided, either air line or opening, for measuring depth to water. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.5 cubic feet per second, or a yearly duty of 5 acre-feet per acre of land irrigated. Actual construction work shall begin on or before November 9th, 1957. Proof of commencement of work shall be filed before December 9th, 1957. Work must be prosecuted with reasonable diligence and be completed on or before November 9th, 1958. Proof of completion of work shall be filed before December 9th, 1948. Application of water to beneficial use shall be made on or before November 9th, 1960 . Proof of the application of water to beneficial use must be filed with State Engineer on or before December 9th, 1960.

CANCELLED MAR 5 1959 BECAUSE OF FAILURE of May OF APPLICANT TO COMPLY WITH THE PROVISIONS OF PERMIT drund a. 218
